### PRODUCT SIZE

Diameter:	45mm
Height:	137mm

### CARDBOARD BOX

EAN:	5999097925301
Packaging:	1/b 100/c
Dimensions:	45mm x 45mm x 170mm
Net weight:	56g
Gross weight:	70g

### CARTON

EAN:	5999097925318
Packaging:	1/b 100/c
Dimensions:	480mm x 240mm x 300mm
Net weight:	5.6kg
Gross weight:	7kg

### PALLET EXAMPLE

Height:	
Width:	120cm (std Euro pallet)
Depth:	80cm (std Euro pallet)
Cartons per pallet:	0carton/pallet
Cartons per row:	
Net weight:	0.056kg
Gross weight:	0.07kg

### PRODUCT DESCRIPTION

Avide LED lights are high performance LEDs that can be used to replace traditional lightbulbs. They are the perfect option for replacing lighting solutions in households. They are available in various forms, including globes of various sizes, mini globe, stick, candle, spot, reflective, and capsule forms. All types of our bulbs are available in various color temperatures and different types of bases. Due to their low power consumption and long service life, they result in significant savings. They do not flash, sparing they eyes this way. Switching them on and off does not shorten their service life.

LED lights do not emit light by heating up a metal filament but by means of electrons, thus they have a minimal heat loss. You can save up to 80% energy compared to traditional light bulbs when using LED technology. LED lights produce minimal heat, thus they can also be used at places where heating might represent a hazard.

Some of the types are also available in a dimmable version as well as in a twin pack economical packaging form. Learn more about our full product range on the following link.
