### SPECIFICATIONS

EAN code: 5999097916163  
Warranty: 3year(s)  
Material: Plastic+Metal  
Working temperature: -20 - +40 °C  
Packaging: 1/b 10/c 100/p  
Certifications: CE

### TECHNICAL DETAILS

Wattage: 18W  
Voltage: 220-240V  
Beam angle: 120°  
Dimmability: No  
Lumen output: 1 600lm  
Color temperature: 4 000K  
Lifetime: 25 000h  
Type of LED: SMD  
CRI: >80  
IP standard: IP20

### PRODUCT DESCRIPTION

Avide oyster lamps include a modern, built-in LED light source. --- They are ready to use immediately after connected to the network. Our lamps are equipped with SMD (Surface mounted diode) LEDs representing one of the most modern lighting solutions. SMD technology is characterized by greater light scattering, thus the product can be used to illuminate a wider area. This means that an oyster lamp featuring an SMD LED chip can produce even light in the room in which it is used. ---

The LED ceiling lamps are available with different covers and a great variety of power versions. Optionally, they may also be equipped with a motion sensor that can provide truly convenient operation.

They are available in three types of power versions and sizes, fitted with different diffusers. Both the round and square models are available in 28 cm, 33 cm and 38 cm diameter versions. Due to the great variety of designs, you can surely find the lamp best matching your taste and needs. We recommend our products for illuminating corridors, stairwells and entrances.
